

## **Safe Bulkers, Inc. Announces Sale of one Panamax Vessel**

**Monaco – June 30, 2021** -- Safe Bulkers, Inc. (the Company) (NYSE: SB), an international provider of marine drybulk transportation services, announced today that in relation to its fleet renewal strategy, it has entered into an agreement for the sale of MV Koulitsa, a 2003-built, Panamax class, dry-bulk vessel at gross sale price of \$13.6 million and forward delivery date within the fourth quarter of 2021.

Dr. Loukas Barmparis, President of the Company commented: “The *MV Koulitsa* will be replaced by the previously announced acquisition of the 2013-built, Panamax class, dry-bulk vessel to be named *MV Koulitsa 2*, purchased at a price of \$22 million with an expected delivery within July 2021, which has already been chartered at a gross daily charter rate of \$24,000 for a period of twelve months. This transaction concludes the sale of all our vessels built prior to 2004.”

### **Forward-Looking Statements**

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and in Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events, the Company’s growth strategy and measures to implement such strategy, including expected vessel acquisitions and entering into further time charters. Words such as “expects,” “intends,” “plans,” “believes,” “anticipates,” “hopes,” “estimates” and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, changes in the demand for drybulk vessels, competitive factors in the market in which the Company operates, risks associated with operations outside the United States and other factors listed from time to time in the Company’s filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company’s expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
