

**Safe Bulkers, Inc. Announces a Three-Year Time Charter with a Forward Delivery Date for a Panamax Vessel at \$20,250 Gross Daily Rate**

**ATHENS, GREECE - October 12, 2010** – Safe Bulkers, Inc. (the “Company”) (NYSE: SB), announced today that it has entered into a new period time charter for the *Maria*, a 76,000 dwt Panamax class vessel, for a duration of 34 months to 36 months, with a forward delivery date in second quarter of 2011, at a gross daily charter rate of \$20,250, less 3.5% total commissions.

Dr. Loukas Barmparis, President of the Company, said: “The new three-year time charter, which has a higher rate compared to the vessel’s current rate, increases our charter coverage for the coming periods and provides additional visibility to our future cash flows. Forward delivery chartering is the outcome of our extensive relations with industry’s major charterers.”

**About Safe Bulkers, Inc.**

The Company is an international provider of marine drybulk transportation services, transporting bulk cargoes, particularly coal, grain and iron ore, along worldwide shipping routes for some of the world’s largest users of marine drybulk transportation services. The Company's common stock is listed on the NYSE, where it trades under the symbol “SB”. The Company’s current fleet consists of 15 drybulk vessels, all built post-2003, and the Company has contracted to acquire seven additional drybulk newbuild vessels to be delivered at various times through 2013.

**Forward-Looking Statement**

This press release contains forward-looking statements (as defined in Section 27A of the Securities Exchange Act of 1933, as amended, and in the Section 21E of the Securities Act of 1934, as amended) concerning future events, the Company’s growth strategy and measures to implement such strategy, including expected vessel acquisitions and entering into further time charters. Words such as “expects,” “intends,” “plans,” “believes,” “anticipates,” “hopes,” “estimates” and variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are

beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, changes in the demand for drybulk vessels, competitive factors in the market in which the Company operates, risks associated with operations outside the United States and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
